

Thank you so much for your interest in utilizing our Private Dining facility for your event. Our facility has become a popular success and is a great way for you and your party to enjoy the Mad Mex dining experience. Our facility's Private Dining Room is a versatile space that allows us to accommodate a large party and still have an intimate private experience. Large sliding barn doors may be left open to the mezzanine and dining room below. Slide them shut and you will have all the privacy you need making it perfect for an intimate dining experience or a corporate luncheon. Our enormous custom copper dining table seats up to 24 people comfortably for a full service dining experience. You may select menu items directly from our eclectic and unique Mad Mex menu. The Private Dining room is fully equipped with audio/visual allowing guests to hear all the unique and popular tunes playing in our dining room and bar or select options of their own for a more personal experience. Our visual system allows guest to utilize a top of the line projection system for displaying visual aids, family videos, wedding photos, sporting events, or whatever will enhance your party.

To utilize our private dining room, we ask that your party guarantees a \$750.00 minimum purchase of food and beverage (not including tax and 20% gratuity). Monday through Thursday the Private room is available for a minimum of \$500.00. You may book your party for a few hours or make a night of it and keep the party going until last call. Once we receive and process a 50% deposit the room is all yours for as long as you might need it during that business day. We will gladly provide suggestions for some great options from our menu that will accommodate the number of people you provide to us for your event. Our staff may also help in providing suggestions to help you accommodate any special dietary needs for your guests.

Have more than 24 friends? That's not a problem. A guarantee of an additional \$750.00 Minimum will earn you half of our mezzanine overlooking our spacious dining room and bar. Still don't have enough room for all your friends?! Guarantee us another \$750.00 Minimum and we'll give you the entire second floor (Prices and availability may vary for minimums when booking our mezzanine on a Friday, Saturday, and some Holidays).
